Membership candidates are invited to sing with the chorus for 8 weeks, and will be informed of their acceptance by the Music Director. Candidates will be considered as chorus members unless there is a mismatch between chorus and member, in which case fees will be returned.

PARTICIPATION IN COMMITTEE WORK. The San Francisco Lyric Chorus is guided by a volunteer Board of Directors. In order to share the workload of chorus management, each chorus member is required to participate in the activities of a chorus committee. This will take approximately one hour per month. The committees are as follows:

___ Fundraising (grants, donors, advertisements, events, activities, other)

___ Logistics (tea set up/take down, chair/riser set-up/take down, piano moving, other)

___ Music Support (music ordering, distribution, supply purchase, e.g., pencils, other)

___ Publicity (program, flyers, radio ads, print ads, other)

___ Social (social activities, refreshment coordinator, card writing --sympathy, congratulations--, other)

Please indicate your choices by the use of numbers, 1 (most desired) to 5 (least desired). Thank you.
