**Membership candidates are invited to sing with the chorus for 8 weeks, and will be informed of their acceptance by the Music Director. Candidates will be considered as chorus members unless there is a mismatch between chorus and member, in which case fees will be returned.**

**PARTICIPATION.**

Aside from the Music Director, we have only one part-time staff member (five hours a week). Most of the administrative work is done by volunteer chorus members. In order to share the workload of chorus management, we ask that each chorus member participate in various chorus activities. Please check task areas in which you would be interested:

- Fundraising (grants, donors, advertising, events, activities, other)
- Management support (database entry, bookkeeping assistance, other)
- Music support (music ordering, distribution, other)
- Office support (office supply purchasing, pencil sharpening, photocopy, other)
- Program (program editing, other)
- Publications (postcard/flyer design and production, program design and production, other)
- Publicity (print announcements, e-mail announcements, media announcements, press releases, mailing lists management, other)
- Rehearsal setup/takedown (goodies, handouts, etc.)
- Rehearsal refreshments coordination
- Web support (assisting with chorus website, MySpace, Facebook pages)
- Photographic support (assisting with formal and informal chorus photos, maintaining photos on websites)
- Video support (editing video clips for YouTube)

**DONATIONS:** Your donations help us continue to present the kinds of programs you want to do and our audiences want to hear. Revenue from dues makes up only 14% of our operating costs, and ticket sales represent only 23 % of our operating costs. More than half of our budget depends on tax-deductible contributions from choristers and friends.

Won't you contribute?

I am including a tax-deductible contribution to the San Francisco Lyric Chorus with my dues.
